## ABOUT ME

I am a senior at the California State University, Northridge working towards a BA in Art with a focus in Animation.

Raised on hard work and ramen, I am seeking a 2D Animator position to pursue my passion for creating high level animations.

## EXPERIENCE

### **IntersectLA, Northridge, CA**

*Animator/Project Manager*

Oct 2018 - Present

- Creating motion graphic social media posts for clients, such as Latinx21 and Unicef, as well as internally for IntersectLA
- Development and creation of informational and promotional animated videos for clients such as CSUN with a Heart
- Leading and participating in projects involving team based communication
- Direct communication with clients and deliberation of information to team members
- Creating designs for business cards, promotional posters, social media posts, and flyers

### **TUC Marketing, Northridge, CA**

*Designer/Project Manager*

Feb 2019 - Present

- Creating designs for posters, business cards, and flyers for on campus promotion
- Deliberating and overseeing design production and printing
- Providing updates and designs for promotional content
